Questions for Reflection/Discussion:

As always feel free to tweak, skip, or add questions to focus on areas you think most relevant to your group.

Big Question:

Is the resurrection of Jesus real or fake? Should I even care?

The resurrection is central to the Christian faith.

The resurrection is backed up by factual evidence.

The resurrection is supported by transformed lives.

The resurrection is REAL.

Share it with facts.

Share it by telling your story.

4. What would you say to the person who followed the moral teachings of Jesus, but didn't believe in the resurrection?
5. What were some of the major things you considered when investigating the truth of Christianity?
6. Are you more comfortable talking about the facts of the Christian faith or your own experience with it? What would give you more confidence in each area?
7. What area of your life have you seen Jesus transform the most since you put your faith in him?
8. What would it take to get you to believe that a real miracle had happened today? What evidence would you need to see?
