5. Share about a moment in your life that gave you confidence that God was real.
6. How does the purpose of something impact the way we see it's value? What does this mean when we look at the purpose of man explained in this passage?
7. When you look at the brokenness of the world who do you tend to blame? Who should you blame?
8. What do you see as man's role in caring for creation today? Is it still worth doing something, even if we can't fix everything?
9. How does understanding the biblical concept of taste (fully experiencing something) alter the way we look at verse 9?
