Current Message Series:

Strength in Weakness - 2 Corinthians

It is quite a challenge to represent Christ well in this broken world. How can we possibly do this when it's hard just to navigate the tasks of daily life. In the book of 2 Corinthians, we see that God doesn't use those who are strong, but rather those who in their weakness turn to God and rely on his strength. Absorb this truth and more as we study this book together.

February Mission Focus

Bill Mast / Area Director for Search Ministries MN

Search Ministries' mission is to engage people in respectful dialogue by asking questions and exploring answers that invite conversation, equip friends with the tools to engage others, pray, and watch as God expands the impact of the Gospel of Jesus Christ. Please pray for open doors for spiritual conversations with non-Christian and for Jesus followers everywhere to take the Gospel message to their respective network of friends.
