Close Encounters / Acts 8-12

In Acts 8-12 we meet several individuals who have an encounter with Jesus and the Spirit and walk away changed. They bring significant baggage into their encounter, yet Jesus transforms them. These close encounters give us hope that Jesus can redeem us and the people we love.

February Mission Focus: Bill Mast Area Director of Search Ministries MN
Search Ministries' mission is to engage people in respectful dialogue by asking questions and exploring answers that invite conversation, equip friends with the tools to engage others, pray, and watch as God expands the impact of the Gospel of Jesus Christ. Please pray for open doors for spiritual conversations with a multitude of non-Christians and for Jesus followers everywhere to take the Gospel message to their respective network of friends. If you're interested in learning more about Search Ministries or exploring questions over coffee, please contact Bill Mast at bmast@searchnational.org.
